Gift Table

We are deeply grateful to all who pledge their financial support to the church, at all giving levels. This Gift Table shows that if we each make a pledge that fits our individual circumstances, we can achieve our goal of **\$267,000** for fiscal year 2024-2025 to support church operations. *Pledges in all amounts are needed and welcome.*

The Gift Table shows the distribution of pledges among giving tiers.

- The first column gives the range of pledge amounts.
- The next four columns show the actual number and value of pledges in each giving range for fiscal years 2022-23 and 2023-2024 (current year). We exceeded our goals in both years!
- The last two columns show the goal for the coming 2024-2025 church year. This represents a 9% increase over our FY24 goal of \$245,000.
- The church loses a few pledges each year for various reasons (such as a death, move out of the area, or change in financial circumstances). We estimate a loss of 2 pledges and the addition of 12 new pledges in FY25. If you have joined our community recently, please consider pledging for the first time!
